York Riflemen

Volume I, Issue I
Fall 2009

PRESIDENT'S MESSAGE

The York Rifle Range Association, Inc. will celebrate its 75th Anniversary in the upcoming year, 2010. The York Rifle Range Association was formed in 1935 and became incorporated in January of 1940. The records show the total assets of the Club in 1940 consisted of the land for \$625.00, tractor with a scoop \$100.00, tools \$20.00 and bird trap, targets and target frames \$100.00.

Thanks to a hand full of individuals with the foresight to provide a facility for the interest of the shooting sports and years of dedicated members that we can enjoy the existing York

Rifle Range. I often wondered if the founding fathers, from our humble beginning, would have ever envisaged a membership of over 1,200 members and an organization that would educate hundreds of people, from Boy Scouts, junior and senior members, on how to safely handle firearms and learn the principles of shooting.

The heritage of our Association was based on dedicated members and hard work. Today, these acts of dedication our still present within our membership and I would personally like to thank all these loyal members who

devote their spare time in making the York Rifle Range a success year after year.

On behalf of the Officers and Board of Directors of the York Rifle Range, I bid you a safe and successful hunting season and holidays.

Doug Nace,
President

Hello Members

Allow me to introduce myself. My name is Jim Jensen; I have been a Member of the York Riflemen Club since 2000. I currently work for Graham Packaging Company and have for the past 20 years; the last 11 have been here in Central PA at our Company's Global Corporate Office in Springettsbury Township, with a brief interruption for 11 months in 2002, I worked at one of our plants in the Atlanta, GA area before returning to York. I have also been a member of the NRA since 2000. I enjoy owning and shooting my handguns, shotguns and rifles and found Our Club is

great for practicing, and practice I need.

To help out the Club, I will be taking over the duties of the Membership Secretary immediately. I will try to make this change as smooth as possible but we may encounter a glitch here and there and will resolve them as quickly as possible.

I may over the course of the next weeks and months request additional information from you for Club purposes only. All information we obtain from you will be used for Club purposes only and we will never trade or sell your information to any person or company.

In addition to my duties as Membership Secretary, I will also take care of publishing the Club Newsletter. If you have suggestions or would like to see more information about a topic, let me know and I will discuss it with the Officers to see if it can be done.

You can email me at YRMembership@Comcast.net

We will also post the Club Newsletter on the Website that can be accessed 24 hrs a day @ www.yorkriflemen.org .

SMALLBORE

The York smallbore team is coming off a successful summer season by placing second in the Inter-County Rifle League. We are not as successful in the indoor winter season where we are running in the middle of the pack. The Team is always looking for individuals who are interested in shooting the smallbore rifle discipline. Matches are held Friday evenings and schedules are available at the clubhouse and online at www.yorkriflemen.org
