Match winner is Walt Zdon (785-28Xx) followed by Scott Anderson (780-28x) both shooting AR Service Rifles.

IMPORTANT NOTE- There is no scheduled July match (initially omitted due to Nationals).

Hopefully the pit wall and roof will be up by then. I will post on our facebook page if we schedule a work party.

Our next match will be the Memorial Trophy Match/ CMP Home Range Appreciation Series on August 23.

White Oak is a sponsor, so we can expect some good swag! Please bring a friend, Junior, or new shooter.

Thanks to Dick Ide for calling the line today and to all others for your help in running a smooth match!

Good shooting to all who are headed to Camp Perry replacement matches and have a safe and successful time.
