The rain, fog, and conflicting matches reduced our expected turnout today, but that did not dampen spirits or lower scores. The September 2020 CMP Cup 800 AGG High Power Match at York Riflemen had 7 competitors and plenty of high scores. Congratulations to Match Winner, Frank Wasco, shooting a score of 793-41x. Frank also won Slow and Rapid-fire AGGs. High Service Rifle goes to Jason Cortazzo with a 780-22x.

Thanks to all of our competitors for running the pits, calling the line, and helping get us set up and ready to go. And a special thank you to Dick Ide for his contributions of time, labor, and help re-doing the pits and calling the line.

Join us on Saturday, October 3 for our fall John C. Garand Match (last match of the 2020 season). Today's scores will be posted on the club website at [www.yorkriflemen.org](http://www.yorkriflemen.org). Also, next year's 2021 season schedule will be posted in late December or early January.
