We had a very hot day for a match and perhaps the weather forecast kept some folks away, but it did not dissuade today's participants. All competitors shot AR15 service rifles (A2s and scopes) .
 Match winner is Ian Swisher (785-21x) followed by Jeff Kantz and Sean Leighton (both shot a 782-20x).
IMPORTANT NOTE- York WILL hold the scheduled July 25 match (immediately before Nationals).
 Many thanks to Dick Ide for calling the line today and for bringing ice for the cooler!

Good shooting those heading to Camp Perry Cup matches and Nationals. Have a safe and successful time.
