New Business

Good or Welfare of the Club

- Doug Nace talked to Dick Crowl over the weekend. Dick just wanted to say hello to everyone and he is enjoying the warm 85 degree weather.
- It has been an interesting year due to the current pandemic. We did loose a number of members and friends this year due to covid. Had a brief moment of silence to remember lose that we lose during the past year.
- Running deer was lightly attended this year. Primary theory is the current cost and availability of ammunition kind of puts a damper on expending frivolous rounds.

Adjournment
