- Got our new snowblower for the club. Works great moving the snow off the driveway, it also throws the stone/ gravel from the parking areas 50-60 feet from the snow chute.
- Coal bin is just about empty. At that point will decide when, how, and if we are going to remove the brick wall around the coal bin.
- Keeping track of the fuel oil supply. Currently at 1/2 full. Once it reaches 1/4 full will call for a fuel oil delivery.
- Small leak on the mahindra tractor. Will look into when the weather gets warmer.
- Still need to source a laptop for the club treasurer.
- Fifty yard target frame on the rifle range was used for "target practice" and will need to be repaired. This was reported by multiple members, and we need to find the perpetrator(s) and punish as needed.

Pistol Report

- Dueling tree is still out of commission. Waiting on the volunteer welder to repair the damage.

Legislative Report

- Currently there are 15 republicans running for the governorship, only Josh Shapiro on the democrat side is running for governor. Shapiro is not a friend of the gun owner and will actively work towards hindering our constitutional rights. Please do your research and get involved and vote in the primary & general election.

- Senators on the federal level are pushing to remove the fillabuster.
