- Same as last month. New membership is closed for 2019.

Smallbore Report

- Greg Livingston gave the report.
- Four matches since the last meeting. Two night matches and two day matches. South team is tied with the north team. Last match will be a night match this Friday at home. Will do our best to win it for the south.
- Jeff Walters gave a report on the smallbore matches at Camp Perry. Jeff was joined by fellow York team members, Trinity Bogdany, John Hendell, and his father Matt Hendell. Our juniors shot well with Trinity earning a 1st place in her age group during the iron Sight stage and 2nd place over all in her age group for the four day 6400 match. Good time had by all and got to experience the various weather conditions of Camp Perry including the hottest Jeff has seen it since 1991 and the notorious winds off of Lake Erie. We did manage to get a four man team together to shoot a team dewar match. Team included Jeff Walters, Trinity and Jeremy Bogdany, and honorary york member, Terry Glenn from New York. Our team came in sixth place.

Big Bore Report

- Fred Haag gave the report.
- Trophy match will be August 25th.
- Ten York highpower team members went out to Perry this year. We did better than last year. Came in 20th for the team match. This is good considering that the teams that were ahead of our team were military and only two local club teams.
- We had three members go to the CMP level 2 RO training while at Camp Perry. Those that got training acted as a RO either on the firing line or in the pits during matches they were not shooting in.

Junior Program Report

- Jeff Walters gave the report.
- Air rifle is still on hiatus for the summer. Will start back up on the second Monday in October and continue through the end of March.
- BOD discussed the disposal of the original Daisy 853 air rifles. We made an offer to give the remaining stock of air rifles to the Southern Lancaster County Farmers and Sportsman Assoc for a donation of \$100 towards our youth shooting program. Still waiting to hear back from them on the offer.

Building and Grounds Report

- George Himmelright gave the report.
- One clay bird thrower broke, and is currently being repaired.
- Was a small incident in the indoor range with some damage. Will be repaired, and we have a name of the person who did the damage.
- There is a “widow maker” along the driveway. When it falls it will probably take out our power line.
- Keep the grass mowing in check and between George and Jeff have been taking care of the mowing.

Legislative Report

- A lot of push on the state and national level is for the so called red flag laws and universal background checks. Keep in touch with your elected officials and voice your opinions.
